Progressing Cavity Industrial Pumps
Replacement Parts

Johnson screens®

www.dmliefer.ru
Johnson Screens now offers replacement parts to fit most manufacturers’ progressing cavity (PC) pumps. Our two state-of-the-art facilities are dedicated to the development of progressing cavity pumps and parts. Offering a full warranty, Johnson Screens backs all pumps and parts to meet the published performance standards.

Whether your fluid handling needs call for a complete pumping solution or replacement rotors and stators, Johnson has the solution.

Our state-of-the-art, ISO-certified facilities are dedicated to industrial PC innovation.

After the sale, Johnson’s professional staff of sales, service and engineering personnel continue to provide service—all on call 24 hours a day.

Johnson’s industrial PC pumps are backed by the resources of Weatherford International Ltd, a multinational company with more than 710 locations and 38,000 employees worldwide.

Johnson Screens offers a full range of rotors and stators for your industrial PC pumps.

Replacement parts to OEM specifications ensure proper fit and operation.

Johnson Screens’ state-of-the-art facility in Brazil is dedicated to the development of PC pumps and parts.
